

Northrepps Pre-School Summer Term 1 – April 17

Our theme for Summer Term 1 is 'Transport and Journeys'

It is great to be back and it sounds like you all had a fabulous Easter! Themes loosely feature in the background of our learning. The activities that we explore are largely formed from our keen interests and next steps.

Please see below for some of the things that we are exploring as part of our theme this half-term:

Different types of transport and how they work.

Road Safety

How travel to different parts of the world

Role play:

Garage

Small World:

Building bridges

This term we will find out about different types of transport and investigate how we would travel to get to different places. In our home corner we have a variety of things that you might need for a holiday and a suitcase ready for any impromptu trips. We will be carrying out investigations on sinking and floating, and making different vehicles of our own. Some of our themed books that we will be sharing are:

The Snail and The Whale
By Anna Leone

Tip Tip, Dig Dig
By Emma Garcia

1000 Things that Go
By Usbourne

News

Forest School: We will be continuing to run one Forest School session on a Monday PM. Teresa Dowding will be out on placement as part of her teacher training from Monday 8th and Friday 15th May. Although it won't be Forest School we will still be going over to site to do some outdoor learning.

Transition: Phonics with Mrs MacMillan still continues on a Tuesday and these sessions now feature on our daily timetable at pre-school. Please see attached for more information about phonics.

I will be in contact with new schools this half-term to find out about taster sessions and visits. Please don't hesitate to contact me if you have any questions. Transition packs with activities and school readiness information are being consolidated and will be out next half term.

Events: We will also be involved in the events below and will be sending out more details nearer the time.

We have been invited by Benjamin Court to join them for some activities like singing and arts and crafts with residents. This is likely to take place on the week of the 15th of May. Date to be confirmed.

Outdoor Classroom Day – Thursday 18th May 2017

A Trip on the Bure Valley Railway - Friday 26th of May 2017

Many thanks, Northrepps Pre-School Team
