- ✓ **Daily reading**
- ✓ **Forest School kit:
trousers, long sleeved
top waterproof jacket
and wellies**

Newsletter #1: September 2017

Dear Parents,

Welcome back to school! I hope you have had a lovely summer holiday. The children have all returned to school refreshed and ready to learn. We have welcomed lots of new children in school who have settled in very well and made lots of new friends. We also welcome Mrs Smith who is teaching Oak Class and Mrs Timmins who is our Office Administrator.

Learning

We have really exciting topics planned for this half term. Pre-School are going to be exploring changes in autumn. Acorn Class are learning all about The Titanic and will visit the Time and Tide Museum in Great Yarmouth for a special exhibition all about The Titanic. Oak Class are investigating The Mayan Civilisation. Look out for homework activities; I'm sure you will join in the fun at home!

Uniform

It was wonderful to see all the children looking smart in their school uniform. Please make sure all uniform, including PE kit and Forest School clothes are clearly labelled.

Friends

Our Friends committee do a fabulous job raising money for our school and pre-school. They also put on events for children and help with all our shared learning events. If you would like to come and join us our next meeting is on 19th September at 2.30pm.

Forest School

Even as the weather gets cooler, please make sure that your child comes to school with plenty of layers so they keep warm at Forest School. You can keep up to date with what they are doing at Forest School on our class blogs.

Ever wondered what happens in Forest School? There are spaces still available in 'Forest School all grown up' six week course starting Tuesday afternoons from 12th September at Erpingham Primary School. Please see our website for more information.

If you have any old white cotton sheets, please donate them to the office for use at Forest School.

Newspapers for Acorn Class

Acorn class are in desperate need of old newspapers for their class guinea pigs. If you have old newspapers at home, please bring them in to the school office or give them to Mrs MacMillan.

Governors

We are very fortunate to have a focused, hard-working team of governors who work as a team to ensure all our children have the very best education. We currently have a vacancy for a parent governor and you will have received a letter about this. If you would like more information about being a school governor please do come and ask about me.

Please remember that all our letters are available on our website. If you have any questions please come into the office to see us.

Yours sincerely,

Angie Hamilton
(Head teacher)
