Newsletter #3: 18th October 2017

Dear Parents,

This half term Acorn class have been captivated by their topic on the Titanic and their trip to the Time and Tide Museum. Oak class are producing fantastic life-size self-portraits and have been inspired to write their own memory box poetry.

Harvest Donations

Thank you so much to those of you who have already brought in your donations for the Foodbank. The School Council are planning to drop the donations off when we return after the holidays, so there is still time to contribute. Please bring donations into the school office.

The children have been practising hard for their harvest performances, so we hope that you enjoyed the singing and celebrations.

Trick or Treating

On 30th October our local PCSO Elaine Roberts will be coming into assembly to talk to the children about how to stay safe when out trick or treating. We're hoping the children will pick up some handy hints and tips which they'll share with you at home.

A Warm Welcome and a Fond Fairwell

After half term, we'll be welcoming Miss Foucher as Oak class teacher. Miss Foucher has been in to school to meet the children and we are looking forward to having her join the team after the holidays.

We'd like to take this opportunity to say a big thank you and goodbye to Mrs Smith who has been teaching Oak class since September. We hope you will join us in wishing Mrs Smith all the best for the future.

Clubs

Please find online our clubs list for after half term. All our clubs are free and very popular so make sure you sign up in plenty of time.

Pre-School Stay and Play

Pre-school are now offering Stay and Play on Wednesday afternoons from 1.30-3pm for a voluntary donation of £2. The sessions are for children, from 1.5 years up to pre-school entry age, and their parents, and provides an opportunity for your child to get involved in some exciting activities and get familiar with the Pre-school setting.

School Development Plan

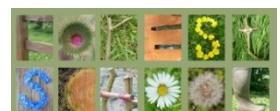

As a school and a federation, we are always trying to improve and help others to improve. With this in mind I would like to share with parents and carers a summary of the school's development plan for the year ahead. These are the things that we will be continuing to work on to bring about further improvements to the school. The school development plan is available on our website or as a hardcopy from the office.

Be safe, be seen

As it is now getting darker in the mornings and after school please remember to keep safe and ensure your children wear something reflective or bright so that they are more visible when crossing the road and walking along the pavement.

Have a lovely half term break and we look forward to seeing all the children back in school on **Monday 30th October**.

Please remember that all our letters are available on our website. If you have any questions please come into the office to see us.

Angie Hamilton (Head teacher)
