

I have the right to learn

I have the right to be heard

I have a right to have my opinions heard

We are kind to each other and helpful

I can follow rules and take turns

 **British Values** 
Northrepps Pre-school

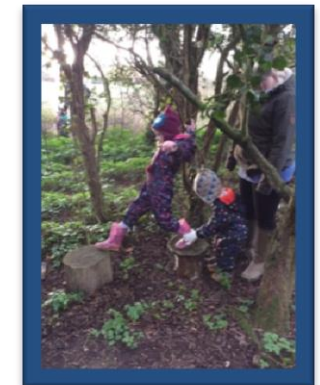

My older friends support me. We collaborate

We respect each other's differences and realise we are all special

We learn about other country's festivals and celebrations

We are allowed to measure our own risk and know how to play safely.
