Acting Headteacher: Laura Watts

20th November 2019

Dear Parents and Carers

As you know, Angie Hamilton is leaving her role with us as Executive Headteacher at the end of this term. Over the last few months we have been working hard to recruit a replacement and we held the interviews for our new Executive Headteacher this week.

It is my great pleasure to advise you of the successful outcome of this week's head teacher interviews. On Tuesday we held a full day of activities and interviews for this post. As Serena mentioned in last week's letter there were two shortlisted applicants, including our very own Laura Watts. Laura's passion and enthusiasm for the continual development of both schools and to see children, staff and parents thrive was extremely evident and at the end of the day with a unanimous decision, we offered Laura the post.

We are delighted that the outcome supports the succession plan that we have tirelessly worked on for the past year and it is testament to the hard work, dedication and support of the leadership team, headed up by Angie, that has significantly contributed to this positive outcome.

Laura will officially take the post in January 2020 and I am sure that you will join us in congratulating her! Laura and the team have the full support of the governing body and we are excited about the coming year.

Furthermore there will be an immediate recruitment process to appoint a deputy head teacher. Please rest assured that we believe strongly in recruiting the right candidates to support our children and provide them with an amazing education.

Thank you for all your support and please feel free to contact me if you have any questions.

Kind regards

Sam Lee

Chair of Governors
Blue Sky Federation
