

Friday 7th February,

There have been some really exciting activities in school this week. On Monday we enjoyed our session with Isabelle from the Norfolk Wildlife Trust who taught both classes about the wildlife in our area. The children played games, including Bats and Moths, and looked at animal artefacts before creating some wild art. They had a great time and Oak class produced some lovely writing about the session. Today the children have been playing with numbers. There have been lots of maths games and investigations and a delicious smell of baking through the school as pre-school and Acorn class made some yummy biscuits. It has been fantastic to see the children enjoying their learning and making the most of all these experiences.

Happy Friday!

Mrs L Watts – Executive Headteacher

This week in class...

Pre-school - Our choice of **Oi Frog** for book of the week has worked really well and the children have been busy thinking up rhyming words. We have been asked to read the book many times! Junk modelling has also been popular this week - creations included a giant pink spider and a fire extinguisher. We have also been playing with the farm and thinking about what baby animals are called. Next week's book of the week will be **Dinosaur Sleepover** and our word of the week will be 'worry'.

Acorn – Acorn have been writing newspaper articles about Mr Wonka's announcement about Golden Tickets. In Reception, the children have been busy designing Golden Tickets. We have been exploring how to keep safe on the internet and sharing information with others online. Finally, we have had an informative and fun visit from Norfolk Wildlife Trust, where the children learnt about their work and played some animal games.

Oak – This week Oak Class have been learning about the important role Fairtrade play in supporting farmers in developing countries who provide so much of the food we eat (particularly chocolate!). They are learning about different types of persuasive writing and how it can be used effectively. They will be writing their own reports encouraging people to buy Fair-trade goods. In maths, years 3 and 4 are getting

Pre-school's pink spider

Certificates this week have been awarded to...

Dojo points – Ralph and Amelia

Pupil Award – Avery and Tommy
