

# The Age of Exploration

Maths focus:  
Length and  
height

Maths activity:  
There are 3 teddies in a box. The brown teddy is 15 cm taller than the yellow teddy. The yellow teddy is 3 cm shorter than the pink teddy. The pink teddy is 42 cm tall. How tall are the brown and yellow teddies? How much taller is the brown teddy than the pink teddy?

Become a leaf explorer and see how many different leaves you can find in your garden or on a walk. Make a picture out of the leaves and label as many as you can.

Can you become a wildlife explorer and make a list of the insects you find in your garden or a park?

With your adult, make some food from another country in the Commonwealth. Photograph or draw it.

Find out about a famous explorer of your choice. Write about their life and where they explored.

## Home Learning for Acorn Class Summer 2020 week 1-2 Invaders and Inventors

In addition to these activities children should read/practise phonics for half an hour a day and do some maths every day.

Maths activity:  
Rank the following from smallest to largest.  
How far you can jump in the air  
How far you can kick a football  
How far you can run in half a minute  
The length of a bug

Maths activity:  
Teddy has a toy train and a toy plane. The train is 28 cm long. The plane is 16 cm longer. How long is the plane?  
The toy train is double the length of a toy car. How long is the toy car?  
Draw bar models to help you.

Make an explorer tent in your house or garden. Write a diary entry retelling your experience.

Make a collage of an underwater scene.

Use a map to locate a different country. It could be a country you have visited. Draw and colour the countries flag and write some interesting facts about the country.
