

**Maths focus:
Money**

Maths activity:

Dora says:

All coins are round.

Do you agree with Dora?

Justify your answer.

Set up an obstacle race in your garden or inside. Have a race with your adult or time yourself and try and improve on your timing.

Go on a summer bug hunt. Try and identify all of the bugs you find and list them.

Make a crisp packet shrink by doing this science experiment:
<http://www.planet-science.com/categories/experiments/chemistry-chaos/2012/01/shrink-a-crisp-packet.aspx>

Make a wooden spoon puppet and act out a story with it:
<https://www.activityvillage.co.uk/wooden-spoon-crafts>

Maths activity:
Make a pictogram showing all of the bugs you found on your bug hunt.

Home Learning for Acorn Class Summer 2020 sheet 6

In addition to these activities children should read/practise phonics for half an hour a day and do some maths every day.

Make your own origami train:
<https://www.c2c-online.co.uk/create-your-day-out/make-your-own-train/>

Make a poster to show what you know about keeping safe on the beach

Maths activity:

The tooth fairy left some money for two children.

Jack has 50 pence. Mo has one pound.

Jack thinks he has more money because his coin is physically bigger.

Explain why Jack is wrong.
