

Maths focus:  
Place value

Find out about where the Romans invaded in the UK and how long they were here for.

Go to the beach and write a message in the sand. Photograph it.

Make a Roman shield or helmet.

Maths activity:

Always, sometimes, never...

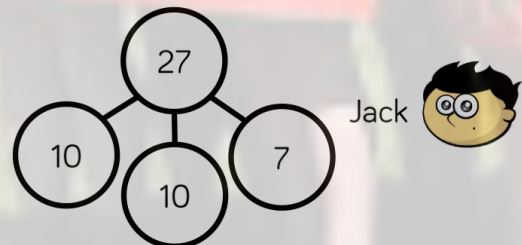

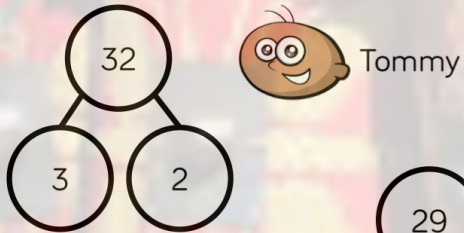

When you find one more than a number, only the ones digit will change.

Convince me using some examples.

Maths activity:

The children are completing the part whole models.

Are they correct?  
Explain why.

## Home Learning for Acorn Class Summer 2020 sheet 5 Invaders and Inventors

In addition to these activities children should read/practise phonics for half an hour a day and do some maths every day.

Draw yourself dressed in Roman clothes.

Find out what people did in Roman baths.  
Can you draw a bird's eye view of the bathing complex?

Draw a Roman amphitheatre and find out what they were used for.

Make a Roman timeline.

Maths activity:

Use the clues to work out the number.

- I have a number with 3 tens.
- One less than my number makes the tens digit change.
- One more than my number has 1 one.

What is my number?

Can you make some clues to describe your secret number?
