

Friday 17th July

We have finally made it to the end of term and I'm sure you are all ready for a break from the rigours of home school and all that it brings. I want to applaud you all for the hard work which you have put in to ensuring that your children's education has continued over the last few months. We have been able to support you and provide resources, on paper and online, but it is you who have been at the chalk face this term – more often than not whilst continuing your own jobs and managing family life. We know that the children have been producing some excellent work and enjoying learning in different ways and they will be more than ready to get stuck in when we return in September.

This week I sent out our initial thoughts around what school will look like in September, I will send out another letter just before the start of term in case there have been any changes so make sure that you read the letter carefully and share the information with your child(ren).

Today we say goodbye to our lovely Year 6s under very strange circumstances. We will miss them very much and are proud of all that they have achieved. Even though we had to socially distance we were able to celebrate their successes and share their memories of Erpingham together. We hope to have a celebration for them in the autumn term but in the meantime we wish them all the very best for their time at high school and beyond. We know they will be amazing!

Don't forget to check out our waving goodbye video on our Youtube channel – follow this link...

<https://youtu.be/0wbE-uBjjoA>

All that remains is to wish you a wonderful, relaxing summer break. Enjoy being outside and being with friends and family and we will see you all back on **September 7th**.

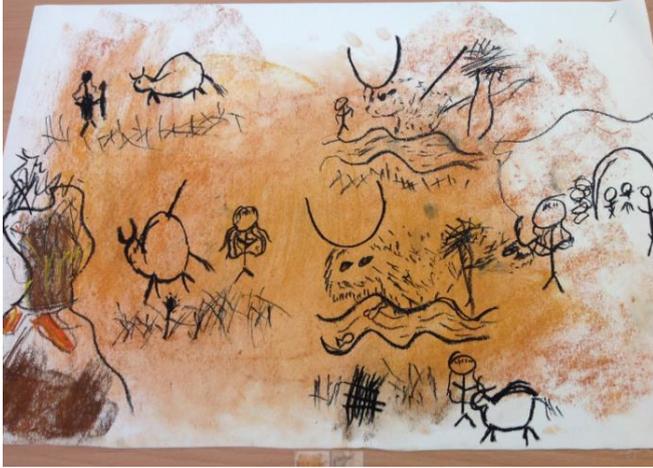

Mrs L Watts – Executive Headteacher

This week in school...

Mrs Sacre's bubble: This week we have been looking at Greek gods and designing our own Ancient Greek god. We had a god of monkeys, 2 gods of trees and a god of birds. We have written a story together about an energetic, cheeky baboon and prepared PowerPoints about ourselves to share with our new schools and teachers. We are really enjoying our class story "The Abominables" and hoping we get to finish it before the end of term!

Kimpton's bubble: The children in bubble 3 decided that they would like to learn about and write their own Greek myths. We have listened to lots of different myths and have found that lots of them have heroes and mythical creatures. We then decided to design our own and include the equipment they would need for their adventures and where they received these items. We have also looked at all of the different Greek gods and their different personalities and stories.

Mr Portas' bubble This week Bubble Two have been busy making their own bows and arrows inspired by the Wolf Brother novel we're reading. In writing they have been revising their superlative and comparative vocabulary and using this to produce a persuasive advert for the novel. We tested them out to see whose was the best! We have also been learning about cave art and making paste hand print designs.

Goodbye Year 6!

NEWSLETTER

As we head towards the summer holidays, when school will be closed, we want to make sure that our families feel supported. Everyone will feel that this time of uncertainty has affected them in a different way but there are many different charities and organisations out there who are ready to help. The wealth of information can seem overwhelming so we have collected together our top go-to places to find advice over the summer and as you prepare for the return to school.

See, Hear, Respond

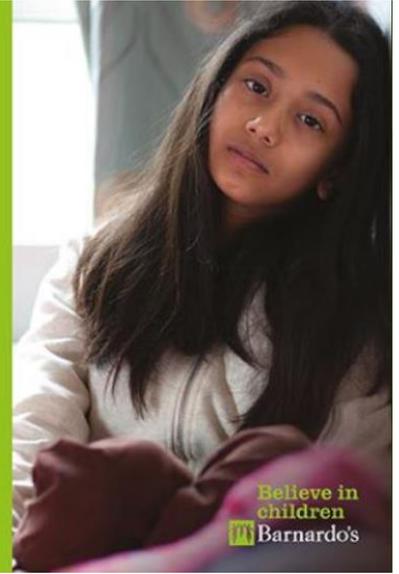

A new service provided across England for children, young people, parents and carers who are experiencing crisis due to Covid-19.

A new support hub and referral link is now available.

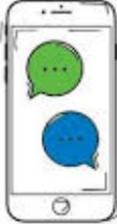

If you are worried about a child or young person experiencing harm and increased adversity or are looking for advice and help, visit www.barnardos.org.uk/see-hear-respond

Or call 0800 157 7015 to speak to one of our Barnardo's project workers.

We operate between:
Monday - Friday 9am - 9pm and
Saturday and Sunday 10am - 6pm

We want you to know We're still here.
These are unusual times for families. No matter your age or circumstance, many of us are facing increased stress or maybe things are cropping up that we don't know how to deal with.
Just One Norfolk has support and advice for families so if you need us, contact us.
