

NEWSLETTER

Friday 10th July

I hope everyone is well and that you have had a good week? You will see that I have decided to go back to the old-style newsletters this week. I think it's really important that we begin to come back together as a school community and for you to see some of the wonderful learning which has been going on in school. Even though there have been restrictions we have been able to make sure that there has been plenty of fun! We are looking forward to welcoming everyone back in September and sharing the excitement with you too!

We are in the process of mapping out what school will look like in September and will update you as soon as we can. In the meantime, we will be sending out details soon of our transition events on July 20th and 21st as children get the opportunity to meet, albeit online, with their new teachers and classmates.

Thank you as always for the support you have given to the team over the last few months, we are looking forward to exploring our new normal together!

Have a lovely weekend!

Mrs L Watts – Executive Headteacher

This week in class...

Mrs MacMillan's bubble This week our bubble have been learning about the Great Fire of London. We have considered which historical sources provide an accurate picture of the past and have been talking about why different sources were written or drawn. We have enjoyed a 30 minute PE activity daily alongside maths, reading and phonics/story writing.

Mr Coe's bubble: This week, in Maths, the children have been revising multiplication and division. Year 6 children are mastering the ultimate skill of long division, with great success! For our topic work, the children have created their own 'Squash books'. These look quite tricky, but are actually quite easy to make. They chose their own subject content and wrote ten pages of fabulous facts with pictures and illustrations. The subjects covered were: African animals, Children's authors, Famous paintings, Manchester United and Working horses.

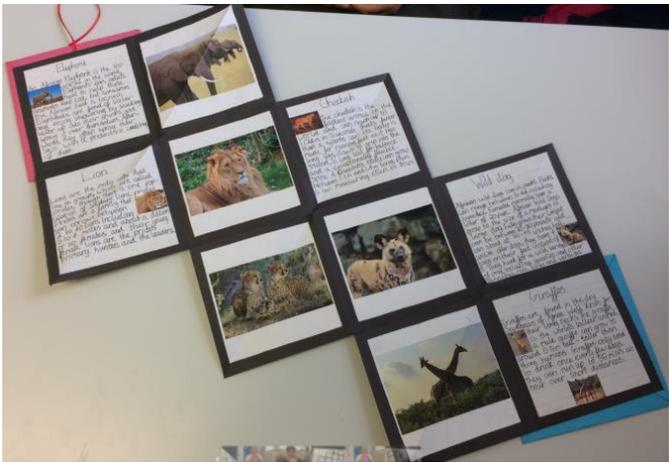

NEWSLETTER

If you or your child are anxious about the return to school, why not check out the NSPCC website - <https://www.nspcc.org.uk/keeping-children-safe/coronavirus-advice-support-children-families-parents/>

There is loads of excellent advice and ideas which might help. Also, don't forget to get in touch with us at school so that we can discuss ways we can help too.

UNDERSTANDING YOUR CHILD

SOLIHULL APPROACH

New online learning to help parents, families, carers and professionals feel more confident when looking after children and young people. Learning is split up into 4 sections:

- Understanding pregnancy, labour, birth and your baby
- Understanding your baby
- Understanding your child
- Understanding your teenager's brain.

We are getting ready to welcome Miss Lowe!

Hello everyone,

I am Miss Lowe and I am your new Oak Class Teacher. I am so excited to be joining the team at Northrepps Primary and look forward to meeting you all in September. Northrepps Primary is very close to my heart as my Mum taught here when she started her teaching career many years ago. I enjoy reading and bringing stories alive using pictures and drama and cannot wait to share some of my favourite books with you. My favourite food is roast chicken and all the trimmings, followed by any pudding - as long as there is plenty of warm custard. I live in Roughton with my friend and her 84-year old dog called Toby. You will hear many silly stories about him I am sure. I have 3 brothers and 1 sister who all live in Norfolk, as a child I enjoyed spending the summer holidays on the beach and still do now I am an adult. I cannot wait to meet you all and get to know you in September.

Miss Lowe

NEWSLETTER

As we head towards the summer holidays, when school will be closed, we want to make sure that our families feel supported. Everyone will feel that this time of uncertainty has affected them in a different way but there are many different charities and organisations out there who are ready to help. The wealth of information can seem overwhelming so we have collected together our top go-to places to find advice over the summer and as you prepare for the return to school.

See, Hear, Respond

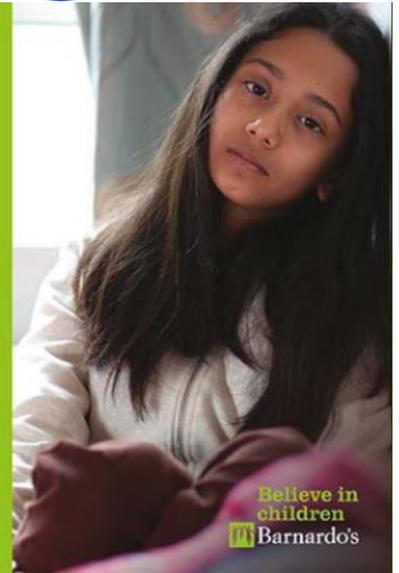

A new service provided across England for children, young people, parents and carers who are experiencing crisis due to Covid-19.

A new support hub and referral link is now available.

If you are worried about a child or young person experiencing harm and increased adversity or are looking for advice and help, visit www.barnardos.org.uk/see-hear-respond

Or call 0800 157 7015 to speak to one of our Barnardo's project workers.

We operate between:
Monday - Friday 9am - 9pm and
Saturday and Sunday 10am - 6pm

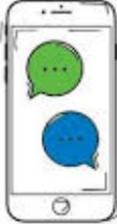

We want you to know We're still here.

These are unusual times for families. No matter your age or circumstance, many of us are facing increased stress or maybe things are cropping up that we don't know how to deal with.

Just One Norfolk has support and advice for families so if you need us, contact us.
