

Friday 9th October 2020

Dear All,

Well the weather has certainly been a bit wild and windy this week! As the temperature drops, please make sure that you send your children to school in warm clothes. Not only do they need to be snug when they are out at playtime but we are also having to keep doors and windows open to increase ventilation so it can get a bit chilly!

On Monday we are celebrating World Mental Health Day to raise awareness that it is 'Ok to not be OK'. 10% of children in our country have a mental health problem and this is something which could strike any of us at any time. Please give generously to support this cause and help us to make a difference.

Happy Friday!

Mrs L Watts – Executive Headteacher

This week in class...

Pre-school: Preschool have been honing their fine motor skills this week with lots of threading and mark-making. In role play, several of the children have been enjoying styling each other's hair. We have also been making the most of early autumn with spider hunts and walks on the village playing field. We are keeping a record of the changes we are spotting whilst out on our walks.

Acorn: Acorn class have been learning about the importance of getting a good night's sleep and the effect on our bodies when we don't. We have also been improving our natural sculptures of things we find in nature. The new sounds for YR this week are: o, c, k. We have thought about words that start with these sounds and spotting who has them in their names. In maths, our topics are sorting in different ways for YR and number bonds for the older children. Finally, we have found out about what equipment people like fire officers, doctors, police officers and paramedics need including the vehicles they travel in.

Oak: Oak class have been busy this week learning about Holi festival and we have been writing our own versions of the story of Prahlad and Holika using our own villains and heroes. We have also been practicing our Times Tables in Maths and on Sum Dog. Year 3 and 4 have been learning about Roman numerals in maths and using < and > to compare numbers.

World Mental Health Day

On Monday we will be raising money for the Young Minds Charity. Please wear something **YELLOW** and bring in a donation of £1 to support their vital work.

INSET days

The remaining staff training days for this year are October 23rd and January 4th. These are different from the Norfolk County dates.

Children are **in** school on October 22nd and **out of** school on January 4th.
