

Friday 11th December 2020

Dear All,

There have been some lovely festive moments in school this week with the Christmas lunch and parties. It's not been easy to do these within current guidelines but we have still managed to have fun! We look forward to more excitement next week.

We have also been filming our Christmas production video which will be launched next week so that you can watch and share with family and friends. Hopefully this will raise a smile and help get you in the Christmas spirit! Thank you to everyone who has taken the time to pass on thanks and good wishes to staff, they are much appreciated at the end of what has been a very long and very difficult term. Thank you for your support as always.

Have a lovely weekend!

Mrs L Watts – Executive Headteacher

This week in class...

Pre-school: It's starting to feel a lot like Christmas this week in Preschool. The children have made their own baubles to decorate their tree and have been practising hard to make three videos for the whole school virtual celebrations. We have also been on lots of bus journeys to places such as the zoo and beach. One of our little girls was very proud of her flower picture - the first she had drawn free-hand without using a stencil.

Acorn: This week Acorn class have been learning our poems and story to perform for the video. It was lovely watching the finished result. We enjoyed the Christmas lunch and party on Thursday and played some fun games. The focus in maths this week has been shape and the children have been spotting 2D shapes around school. The new sounds for Reception are sh, th and ng.

Oak: This week in Oak we have been finishing off our Topic on Boloemencorso Bollenstreek. Year 5 and 6 have been busy finishing their Maths on multiplication ready for our end of unit assessment. We have decorated the classroom today with our Christmas corner ready for our all important filming of our Christmas production.

Dates for your Diary

December 16th – virtual Sheringham pantomime

December 18th - end of term

Tuesday 5th January – back to school

**KEEPING YOUR DISTANCE AT THE SCHOOL GATE
WILL HELP PREVENT THE SPREAD OF CORONAVIRUS**

Stay 2 metres away from other parents and carers at school drop off and pick up
and follow the guidance given by your school
