

Friday 26th February

Dear All,

I hope that you all had a good half-term and have enjoyed wellbeing week. It has been such a pleasure to see so many children, from both schools, joining in the Zoom sessions. Thank you to everyone who has taken part and to the teachers for presenting such brilliant ideas. I know that teachers have enjoyed meeting new children and we will look to grow these cross-federation opportunities for the children to meet up with each other. I hope that you have had fun experimenting with the different activities- maybe you have discovered a new hobby or way to relax? We hope to make wellbeing week a regular event in the school calendar so if you have any feedback about the week we would love to hear it – head@bsf.norfolk.sch.uk

Next week brings another exciting event – World Book Day is on Thursday 4th March. Even though we are not in school we still intend to celebrate! There will not be the usual class zooms on that day – instead there will be a menu of exciting activities, including online sessions with authors and illustrators. We will also have three Zoom slots during the day when your child(ren) will be able to listen to a story read by a member of staff from across the federation. More details will follow soon – including the list of adults and the books they will read so that you can make your selections. You don't have to attend all three sessions – the choice is yours!

World Book Day just wouldn't be the same without the annual dress-up! We will be holding Class zoom sessions in the afternoon and if your child would like to dress up as their favourite book character for this zoom (or any of the others during the day!) then we would love to see them! Hopefully some of the adults will be in costume too!

As I mentioned in my letter during the week, we were very excited to hear that we will be able to welcome all children back to school on the 8th of March. We are working hard to make sure everything is ready and safe and look forward to seeing you all then! Our focus for the last three weeks of term will be on wellbeing and helping the children to re-establish the friendships which they have missed so much. If you have any questions about the return to school please do get in touch.

Have a lovely weekend,

Mrs Watts
