

Friday 20th May

Dear All,

Acorn class really enjoyed their trip to the farm this week and came home full of stories of the trailer ride and seeing the baby lambs. It is great to see the children learning so much through these extra activities. Hopefully there will be lots more to come this term.

On a similar note, we have the opportunity to take the children in Acorn class to the Norfolk Show on Wednesday 29th of June. To do this we will need lots of adult helpers. If you might be able to join us for the day, please could you let Mrs MacMillan know as soon as possible so that we can get planning?

Have a lovely weekend,

Mrs L Watts – Executive Headteacher

This week in class...

Acorn: Acorn class had a fantastic day at the farm on Tuesday. The weather was very kind to us and the children had lots of fun. We went on a trailer ride to meet some cows, tasted honey and found out about how important bees are, and did a soil investigation to find out if the soil was healthy. In the afternoon we visited another farm to meet some newborn lambs and have a feel of a sheep's fleece that had been shorn.

Oak: Oak Class have been working hard on writing their stories over the week, paying attention to structure and trying to develop their use of a range of punctuation and descriptive skills. We have also illustrated and described our characters. In science, the children have started to investigate forces, understanding that these are either a push or a pull. They have started to recognise examples of these forces around them in everyday life. Year 4 are greatly enjoying their swimming lessons and are keen to share the progress they are making each week.

Birch: Birch class have been completing their information reports on some of the different biomes around the world. They have presented these beautifully and shown a good understanding of the technical language they need.

Forest School News We have had a super week putting rope and tyre swings up. We also did a lot of pond dipping and looking for tadpoles to see if they had grown since the last time we saw them! We also whittled some spears and enjoyed some marshmallows round the fire.

Parking We have been visited this week by the PCSO who has been monitoring parking and speeding around the school at drop-off time. Please can we remind you that parents should never drive into the school carpark as it is too small. Please park at the village hall – even after school! Remember to drive slowly around the school so that we can keep everyone safe. Thank you

Dates for your diary

Y3/4 Forest School – Friday 27th of May

Y3/4 Swimming – every Monday afternoon

Y6 surfing – Thursdays 26th of May and 16th of June **and** Friday 24th of June

Half-term – Monday 30th May to Friday 3rd June

Acorn trip to the Henry Blogg museum – Tuesday 7th June
