

Year : R/1 Term: Autumn 2022

## Topic Title: 'What Are the Colours of Friendship?'

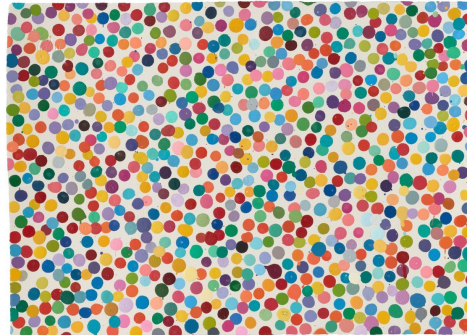

Topic focus: Creativity

Please share this knowledge organiser with your child to help them develop their knowledge and understanding of our topic. This knowledge organiser describes what is expected of the year one children. Reception children will access the curriculum at whatever level is appropriate for them.

### What I know already:

- The names of colours
- How to experiment with colours when I paint.
- How to mix a range of colours from primary colours (year 1)

### What I will learn:

- What are primary colours and how to use them to mix other colours (reception)
- About artists in the present and past who experimented with colour
- About what friendship means and how I can work collaboratively with my friends
- What happens to trees and other plants in autumn and why
- How to use google maps to find out about the local area and how to make my own picture maps

### Key Outcomes -

- Plan and do an autumn walk
- A colour party in class to celebrate friendship
- After dark lanterns and poetry celebration with parents and carers.

### Key Concept - friendship

#### Enquiry Question -

What are the colours of friendship?

#### Sub-questions:

- How can colours help us learn about each other?
- How can we discover the colours of autumn together?
- How can colours help us learn what friendship means?

### Key Vocabulary

- Primary colours
- Secondary colours
- Colour names including different shades of colours eg: turquoise, crimson, scarlet, navy blue.

### Useful websites:

Discovery education espresso has useful information and activities on all areas of the curriculum. At home, phonics and coding are particularly good. Year ones have logins already and reception children will receive them soon.

**Term:** Autumn 2021

# Curriculum Map

**Class:** Blackbirds Class

## Literacy

**Talk for Writing:** 'The Little Red Hen' and friendship poems.

**Phonics:** Reception - phase 2

Year 1: recapping phase 4 and starting phase 5.

### Writing Skills:

Reception: becoming confident mark-makers and writers and starting to use phonics to build words. Writing our own names.

Year 1: using phonic skills to develop independent writing of sentences, including correct punctuation.

## Science

Properties of Materials - identifying and naming materials and exploring their properties

Seasonal changes - exploring the changes in the woods as summer changes to autumn and then winter.

Plants and animals - identifying common plants and animals in our local environment

## PHSE - What is it like to be me?

Our PHSE topics are:

'Happy healthy friendships - making friends and getting along.'

'Similarities and differences - recognising strengths and respecting differences.'

Our 'No Outsiders' lessons will be based on the books – 'Elmer' and 'Mommy, Mama and Me.'

## Maths

### Reception

Understanding, counting, writing, sorting and counting on and back with numbers to five and beyond. 2D and 3D shapes

### Year One

Place Value, addition and subtraction with numbers to twenty and beyond. 2D and 3D shapes

### PE - ball skills and dance

**Music** Learning nursery rhymes and improvising and performing with percussion instruments in music.

**Art** Colour mixing and painting in art

**DT** Cooking simple recipes and tie dye in DT

**Computing** Using photo apps on the ipad; block coding

## Religious Education

### Why Does Christmas matter to Christians?

Know the story of Jesus' birth and why Jesus is important to Christians.

Find out that Christians believe Jesus is God's son and that there are stories in the Bible about how special he was.

Think, talk and ask questions about the Christmas story and what it teaches Christians.

Talk about what we have to be thankful for at Christmas.
