

Emotions Characters: Draw a 6 box grid in your Journal. Design 6 different characters to represent 6 different emotions. Their design and colour is up to you! Please write some labels around your characters so we know more about them.

Nature Portrait: can you collect things from your garden or on a walk and create a picture with the materials? You could collect leaves, sticks and fallen flowers (remember not to pick anything). This could be a picture of a person, an animal, an emotion or your own design! Create your design on the ground or beach and take a picture to stick in your Journal.

Remember to try and choose one activity to do each week. You can present your work in lots of different ways and can write in the book or stick in your work. Please make sure it is always neat and tidy and only use pencil to write in your homework book. We will share any homework completed in class.

Go to visit some art in your local area:

<https://www.visitnorthnorfolk.com> and tell us about the exhibits you saw. Were there sculptures, portraits or something else? Did you see any pieces that made you feel something? What materials were used?

From Fear to Creativity

Oak Class Home Learning Menu

Information Report: Become a news reporter - ask different members of your family about a fear they have or had. How have they overcome it or how could they try to overcome it? Write your findings in your Journal and illustrate it with a picture.

The internet is a superb resource BUT your homework will be in your own words. It is best to read and talk about information and then write down what you remember.

Use some ideas from Activity Village to design and make at home: <https://www.activityvillage.co.uk/crafts>

Find some examples of portraits by Pablo Picasso and create your own Picasso inspired self-portrait. Use another page to include some brief information about him.

Visit the Sainsbury Centre website or go in person to check out the sculpture park and current art exhibits. Create an **Information Poster** in your Journal advertising what you can do there. <https://www.sainsburycentre.ac.uk/>

Book Report: Choose an adventure story from home or visit your local library. Write a short book report explaining what you liked/disliked about the book. Include: characters and events.
