

Can you create a map of your house or a place you love. Draw the map from a birds eye view (from above). Can you create a key or label different parts of your map as well?

Can you design a postcard from a country of your choosing? It needs to show something about the country i.e. Eiffel Tower and France.

Can you research a country/island/city/place from anywhere in the world? How many people live there? What is its culture like? Does it have a food speciality? What is its climate/biome like?

Can you make a model of a well known landmark? It could be anything from Stonehenge to the Empire State building.

## Why do we travel? Wagtails - Summer term

Can you create a list of the 10 biggest cities in the world? What are their populations?

Can you design the ultimate vehicle to travel the whole world? Will it be able to go under water? Fly through the skies? Burrow deep beneath the surface? It's completely up to you! You could even make a model of it and share it with the class.

Can you create a list of the 10 biggest cities in the world? What are their populations?

Can you bake/cook a meal from another country/culture? There are lots of amazing recipes on the internet to choose from with an adult.

Imagine you've booked a holiday to a different country and you get dropped off in the wrong country. Can you write about what you would do?

Draw a picture from a window in your house. You can use any medium of art you like (with adult permission).

Can you learn how to count to 10 in a different language other than English and French?

Please make sure it is always neat and tidy and only use pencil to write in your homework book. If using the internet, make sure we are being safe and also that we are writing it in our own words. Any work children are doing at home can be shared. It doesn't always have to be about our topic. We will share homework every week on a Tuesday.
