

Autumn Leaves

As we head into autumn, you could go out for an autumn walk. See what leaves you can find to bring back home. Can you find out what trees they are from? Can you use your leaves to make collages, rubbings or to print with?

Blackbirds Homework Menu

Autumn Term

"How Does a Celebration Bring us Together?"

Choose some of the activities from this menu to try at home.

Share what you have been doing on Tapestry for your class to see.

Counting!

We are doing lots of counting and learning about numbers. Try going on a number hunt around your house or the local area. What numbers can you find?

Can you make your own number line on a long piece of paper or find a set of objects to count?

Enjoy some painting, drawing or modelling! Practise holding your pens and brushes correctly or cutting with scissors. Experiment with colours, shapes and see where your imagination takes you.

You might want to investigate the Tate Kids website, which has lots of information about different artists and fun activities.

<https://www.tate.org.uk/kids>

Have a think about the people that are important in your life, that you love. You could take some photos of them or draw pictures. You could write about someone who is special to you. You might want to have a go at making a card or a picture to give to someone who is special to you.

Have a go at doing some sewing at home. Here is a website with some ideas of things to make.

<https://www.redtedart.com/sewing-projects-for-kids/>

Phonics - we will be sending home sheets with words and sounds to practise based on what we have been learning in phonics. These will be sent home on a Thursday. Most weeks, once phonics teaching starts.

Make your own playdough to play with at home.

<https://theimaginationtree.com/play-dough/>

Make some Oobleck to experiment with.

<https://www.bbcgoodfood.com/howto/guide/oobleck> It is very strange and a lot of fun.
